REMARKS

The undersigned acknowledges the courteous treatment received during the course of a personal interview held on this date.

During the interview, the undersigned pointed out how the claims as amended distinguish over the art of record.

Examiner Schwartz noted that some of the language intending to recite that the correcting films covered completely the eyeglasses lenses may not do so. It was also pointed out that other kinds of corrections other than prescriptive corrections might be covered.

The present amendment is designed to address both of these issues. The expression "prescription" finds support in page 25, line 15, of the specification.

Entry of the amendment is respectfully requested.

The Examiner is requested to call the undersigned or Mr. Kroll if further changes are required to obtain allowance of the application.

A favorable action is solicited.

Respectfully submitted,

LEONARD BELKIN
